

# Go Read!

It's the classic card game, *Go Fish*, but with a Read Local twist!

1. Print 2 sets of cards on heavy cardstock, and cut out.
2. Deal all cards to participating players.
3. Try to match all of your cards into pairs. (Cards with the Read Local logo are wild and can be matched with any book cover.)
4. Don't have a match? Ask one of your opponents! If they have the card you're looking for, they'll give it to you. If not, Go Read!
